

WE NEED YOU!

The PTA has a goal this year of 100% membership!

Only through parent and teacher participation, can a unified voice be created to help support the children of CRMA. There are many parents and teachers who have great ideas and talents, and we need your voice to bring our goals and dreams to a reality!

Join the PTA today! A family membership is \$10 for the entire year - no matter how many children you have attending CRMA!

Make your check payable to CRMA PTA:
